

Knights of Columbus Utah State Convention 2020 Convention Hotel Reservations

Worthy Grand Knights, Faithful Navigators, Brother Knights,

The Bigelow Hotel at 2510 Washington Blvd, Ogden, has been selected for this year's Convention. The room rate is \$99.00 per night plus tax. Room reservations, at the present time, have to be called in by calling (801) 627-1900. Room rates are guaranteed until 23 April, afterwards, rooms can reserved at fill rate pricing.

The Bigelow was part of the Choice Hotels when they were selected for this year's convention. Subsequently, the owners of the Bigelow have withdrawn their affiliation with Choice Hotels and their new online reservation system is not up and running, at this time. Once their online reservation system is up and running, the link will be posted on the state website at <http://utahknights.org/state-convention/> and I'll send it out via email through the KofC-UT-Leaders Google Group.

The Bigelow has a parking garage, which is free, and allows for either inside/outdoor parking. To access the inside garage parking, the entrance is located next to the Bigelow's registration entrance doors (south side of building). The outdoor parking lot is on top of their parking garage and is accessed by going to the street directly behind the Bigelow. On the day of the convention, kitty corner to the Bigelow on the left side of 25th street (heading east from Washington Blvd) is a free parking lot for our use.

The City of Ogden recently demolished a motel that was attached to the Bigelow. Subsequently, with the city's demolition, the owners decided to remodel the Bigelow's rooms and kitchens. Talking with Kris, Bigelow's Manager, room renovations are currently behind schedule. As a contingency, in case some of the rooms are not available, I have secured 10 rooms at the Hampton Inn at \$119.00 per night plus tax. Room rates are guaranteed until 31 Mar, afterwards, rooms can reserved at fill rate pricing.
