

Knights of Columbus UTAH STATE COUNCIL

March 9, 2019

Dear Brother Knights,

As I'm sure you know, the 113th Annual State Council Convention will be held this year in Ogden, UT on May 2nd and 3rd 2020. I am writing to you to request the names for the **Necrology** report. The Necrology report consists of the names of the brothers we have lost during the past 12 months. The names of our fallen brothers for the Necrology report must be submitted to the State Secretary before April 19th. The names of our departed brothers will be read aloud at a Mass in remembrance of their service.

A related subject is the addition of names included in our **Perpetual Memorial** book. Names of our departed Knights, family, and friends are written in the book which is then carried to the Altar at all Masses associated with state meetings of the Utah Knights of Columbus; namely Convention, Organization and Mid-Year. This is a means of remembering and praying for your loved ones when other fellow Knights are assembled. The suggested donation is \$20 which is deposited in the state youth Scholarship Fund. Please, make copies of this letter for distribution to Knights who wish to have their loved ones remembered.

All monies must be received by the State Secretary by April 19th. This allows enough time to complete the reports and slide presentations for the Convention.

Vivat Jesus!

Nick Nielson
Utah State Secretary

A special note: Per the State By-Laws Article II, Section 4 – a council not having paid levied assessments of the Utah State Council and Supreme Council shall not have the names of their Delegates placed on the permanent roll of the Utah State Council until they pay the same.
