

DELTA CHURCH DRIVE CHECKLIST

Thank you for ordering a Delta Church Drive Kit and your commitment to growing your council. The Delta Church Drive Kit utilizes the Online Prospect Form, which will help your council recruit at your parish(es). With more men and families, your council can do more to serve your parish(es) and community. To ensure that your council is prepared for a successful Delta Church Drive, please ensure the following:

- Take the Delta Church Drive Training provided by your Regional Training Director.
- Set up (or update) your council's Online Prospect Form. You can do this by visiting info.kofc.org/pagerequest. Please allow up to two weeks for the creation or updating of your council's Online Prospect Form.
- Report your Delta Church Drive and upcoming Admission Degree(s) to your District Deputy.
