## LEGACY ASSETS

Leaving money for loved ones is a goal that many of us share. While it may seem daunting to create a wealth transfer plan, taking steps early on will help to ensure that your legacy is passed on to those you love.

## LEGACY GIFTING

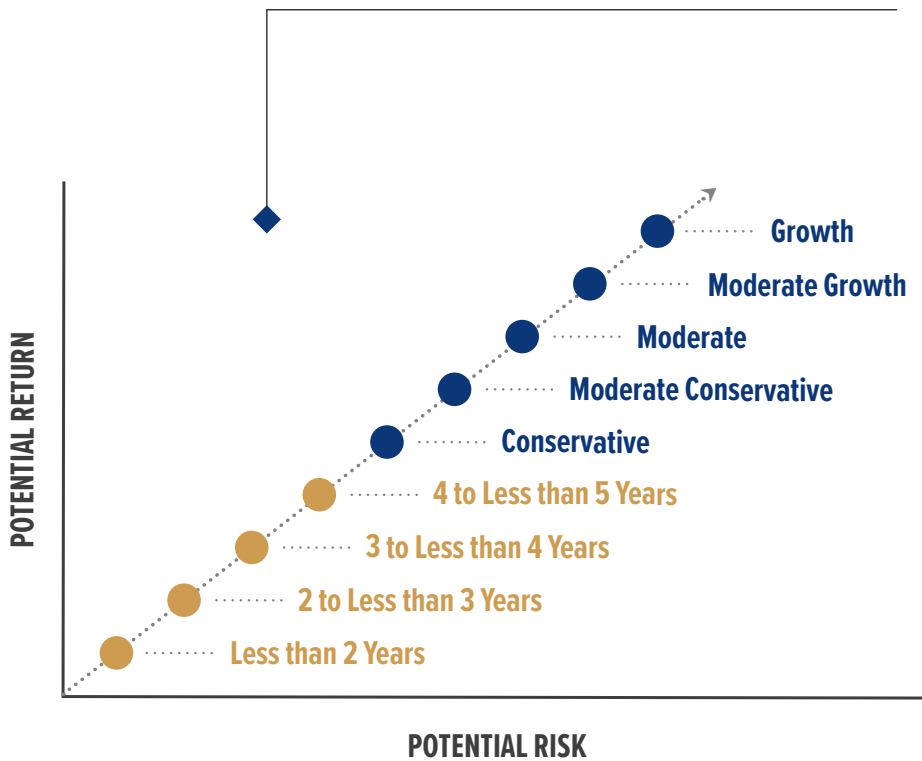

Some investors seek to make a lasting impact to a cause or organization that they support. Through estate planning and a purposeful investment strategy, you may achieve greater charitable impact by utilizing our offerings as a way to implement the estate plan made through a licensed professional.

## SHORT AND MID-TERM FINANCIAL GOALS

Some financial goals such as saving for college and buying your first home are more immediate. With the help of your KoCAA Investment Advisor Representative, you can implement a plan that meets the needs of both short and mid-term financial goals.

# Knights of Columbus

## Serving Catholic families for over 138 years

Since its founding in 1882, the primary mission of the Knights of Columbus has been to protect families from the financial ruin caused by the deaths of the breadwinners. To that end, Knights of Columbus has helped families obtain economic security and stability through its life insurance, annuity, long-term care insurance and disability income insurance.

Knights of Columbus recognized a need in the marketplace for faith-based investment strategies. Forming Knights of Columbus Asset Advisors to launch a suite of faith-based investment solutions seemed like a natural extension to Knights of Columbus overarching financial services program.

Knights of Columbus Asset Advisors, LLC is a wholly owned subsidiary of the Knights of Columbus and manages over \$28.7 billion in assets.
