

My Brothers, here is a brief Scholarship Update:

1. By now each council should have budgeted at least \$50-\$100 to donate towards the state scholarship. This needs to be sent to our State Secretary Bill Kelly before April 15<sup>th</sup>.

**Bill Kelly, State Secretary**  
**11533 Thornberry Ct.**  
**Draper, UT 84020-9416**

2. The state scholarship is given from donations from the councils within the state. Basically, no donation, eventually no scholarship. Please go back to your council and **make sure a check for \$50, \$75, \$100 or more will be sent to the state secretary before April 15<sup>th</sup>.**
3. For this fraternal year we are once again holding a scholarship raffle. **Over 10,000 tickets were mailed** out in September-October. They were mailed to every Grand Knight, Faithful Navigator, District Deputy, State Officer, Chairman, Director, and the District Master.
4. As of our Mid-year Meeting today, we have **less than \$700 in sales turned in.** Without the participation of all concerned, our scholarship program will be in jeopardy of failing.
5. In typical K of C fashion, I am not worried! We have always waited until the 11<sup>th</sup> hour to get things completed. What does concern me is how much will actually be turned in. We are behind last year's sales to this point in time. Perhaps you just want to surprise me when you send in the \$9,000 plus that the sales could generate. Please send the stubs and payment for the sold tickets to;

**Charles Dover, Jr., PSD, FVSM**  
**6170 Hathaway Street**  
**Taylorsville, UT 84123**

For the record, the raffle is not used for present scholarships. The raffle is building reserve funds for future scholarships.

Vivat Jesus!
