Brothers,

My name is Bill McCauley, and I am a candidate for the office of State Advocate.

In my 25 years as a Knight in Utah, I have served in various roles within my Council. I was a Chancellor, Deputy Grand Knight, Grand Knight, and a Trustee for several years. In my Assembly, I was Faithful Navigator, Captain, Admiral, and Trustee. I am a certified as a team member for the First, Third, and Fourth-Degree exemplifications. I also served as: District Deputy for five years, State Ceremonials Chairman for four years, State Essay and Poster Chairman for two years, and currently State Membership Director. I was selected by Supreme as Utah’s Master of the Fourth Degree and served four years as the District Master. I believe the aforementioned leadership positions in the Knights, qualify me to serve our Knights as the next State Advocate.

On a personal note, I retired from AT&T as a District Manager – Training and from 3M as a Senior Customer Relations Specialist. My undergraduate degrees are in Math and Computer Science. I have an M.B.A. in Human Resource Management and an M.A. in American History. Married for 46 years to Maria, we have four children (two sons are Fourth Degree Knights) and four grandchildren. I am a multi-generation cradle Catholic. Over the years, I have served as Usher, Lector, and Eucharistic Minister in various parishes. My professional and educational background, as well as my Faith and Family outlook, make me the ideal candidate for service as a State Officer

T.E.A.M. Together Everyone Achieves More. As Utah State Advocate, I will help the Councils with their retention activities and meeting their Safe Environment requirements. I will be a resource for the Council Advocates in the performance of their duties. As the State Program Director, I will assist State Directors and Chairmen in supporting councils in selecting, planning, running, and measuring the success of their Faith in Action Programs. I will provide direction, coaching, and support to District Deputies and council program directors. Teamwork is the fuel that allows common people to attain uncommon results. That is the role I will take on as your State Advocate.

According to Supreme, the Advocate must stand for faith, constancy, and wisdom. These are values I possess. I ask for your support and vote for State Advocate.

Vivat Jesu and God Bless America!

William T. McCauley, FMFD
