

2/15/22

Worthy Utah Brothers All,

This letter is to inform you of my intent to run for the Utah K of C office of State Secretary this upcoming term. I have served two years as State Warden. I have also served two years as State Treasurer. I have been able to work with and get to know many of you Utah Brothers. I traveled the State attending meetings, ceremonials, charitable events, and youth activities. I am excited to learn new things and assist my Brothers Knights.

When I became Warden I was also appointed the Program Director. I fulfilled the duties of Warden and as Program Director we all worked towards mastering the Faith in Action Program.

As your Treasurer, I maintained the books for the State Council. I worked closely with our current State Secretary. For two years we participated in audits of our operating system and passed according to Supreme standards. My first year as Treasurer I was the Membership Director. We made things happen during the outbreak of the CoVid pandemic.

During my second year as Treasurer, I was the Program Director again. With the aide of our many great program Chairs we kicked off our programs on an in person status with record breaking success.

I appreciate the support of my family and my home Council 9731 Our Lady of Lourdes Magna. My amazing wife, Nicole, and my three wonderful children do whatever they can to help with my goals and projects as a Utah Knight.

I desire your vote and the opportunity to serve as your State Secretary for this coming term. Thank you in advance for your vote. I look forward to serving your council and our State K of C.

Thank you,

Ryan Graveley

State Treasurer and Program Director
