

Utah State Update

What a great state convention! Thank you to everyone that attended and made it possible. Despite being a little rusty the meeting went extremely well and I heard from several members how great and motivational it was. One of my favorite parts about the state convention is the fraternal time, hanging out with our brothers in the hospitality room and I'm happy to report I was one of the last men standing both nights. Thank you for making it memorable for me.

As I was contemplating my last State Deputy article for the monthly newsletter, I was reminded about what I've heard many before me say, just when you get the handle of the position you transition out. I'm sure many of you have felt this with different leadership roles or offices; for myself I have often thought if I only knew what I know now back when I was Grand Knight, District Deputy, or any of the other offices I've held...how much more could I have accomplished? How much easier would it have been? My advice to anyone is to reach out to those that came before you, and really listen so you can make the best of your time in that position.

A few weeks ago, we heard the gospel from John 13:31-33a, 34-35 where Jesus said "I will be with you only a little while longer. I give you a new commandment: love one another." Jesus is transitioning and saying goodbye, I wonder how hard that was for him. I think the hardest part of something is when you leave, or the transition. While I am most certainly not Jesus, nor am I saying goodbye (I'll still be here) and I'm not going to give you a commandment, I am transitioning. The last two years has been a challenge, but I thank you for going through that challenge with me and allowing me to serve as your State Deputy. I truly believe we have learned a lot and in many ways we are better off than we were.

With that being said, if you were at the convention you heard that we are so very close to achieving the Circle of Honor for the jurisdiction, which is one of the highest honors a state can receive. We haven't achieved that level in many years. So let's do it, there is still work that needs to be done and this is our last chance. We need 16 more new members in June! If you've been waiting to bring someone in, now is the time!

Last month I talked about the Columbian Award application (form SP-7). It is time to submit that! Don't wait until the end of the month. We already have 4 councils that have submitted it (1129, 5502, 15418, 16127), where is everybody else? If you need help or would like a second pair of eyes hit me up, hit up your district deputy, or any of the state officers as we would all love to help you.

Get safe environment compliant, we are coming down to the wire and it might be too late for it to count...but is it ever too late to be safe environment compliant and ensure your communities are safe? I'll answer that rhetorical question in case there is any doubt...No, it's not too late.

Fraternal Benefit events, our insurance brothers in the Raso agency have provided virtual options for you to promote and attend these. There is no reason a council shouldn't receive the Founder's Award, all you had to do is promote it! If you need just one more, there is one on June 23rd (see the state website for info, register at tinyurl.com/SlottJune23).

Thank you again and if there is anything I can do to help you finish out your year or during this transition please let me know!

Vivat Jesus and God Bless!

2022 CARMELITE FAIR

The 2022 Carmelite Fair is September 18! Mark your calendars now—save the date! Check their website for updates at www.carmelslc.org/carmelite-fair/. The 2022 Kia Sportage is being scheduled for parish visits now, to help encourage donations to the Monastery, Contact [Michael Griffin](#) for details ([announcement PDF](#)).

STATE MEMBERSHIP DIRECTOR'S MESSAGE

Brothers,

This month many men are preparing to go off to college, the military, or into the job market. Once there they will be challenged on what they believe and encouraged to change their faith to conform. A parish, college or military council can be the place where you don't have to bend to fit in. Recruit a man now and give him and his family a place where they can be Catholic, and have mutual support.

This is the final month of the 2021-2022 Fraternal Year. Eleven (11) Councils have already met or exceeded their membership goal this year. Nine (9) Councils need two or less members to reach their goal (two of those Councils already have plans to hold a CUF degree bringing in four new members or a Church Drive where their Priest has already promised to become a member). Only six (6) Councils are still working to recruit their first new member. Online members still have free membership for a year; they need to attend CUF degree online or in-person and after a council vote, be transferred into your Council.

I reported in the Convention that in the last three years, the state has lost over 600 members due to a variety of reasons. This year we transferred over 300 into the Affiliated Member category. It will take us several years to recover these losses. Every Council should strive for at least one more new member this month. Offering a man membership in the Knights of Columbus gives him the opportunity to improve his own life and his community.

Thank you for all the programs and other recruitment efforts that you have provided the men of your parish these past eleven months. Let us continue to support our priests and parishes and forever being on the lookout for others that share our passion to do God's work of Charity, Unity, Fraternity, and Patriotism. Recruiting new members is essential to the continued growth and well-being of your council and the Order.

Vivat Jesu and God Bless America!

PREGNANCY RESOURCE CENTER OF SALT LAKE CITY

Did you know the Pregnancy Resource Center (PRC) has two websites? www.PregnancyResource.net is the one for those who need to use their resources. PRCpartnersUT.org is for those working to support the PRC (fundraising, donations, etc.). Their Baby Bottle Campaign can be done online, and you a website can be setup for your parish to donate ([example](#)). They also have a location in American Fork.

Now is the time to prepare for the expected increase in need. Utah, along with many other states, will ban elective abortions once Roe is overturned. Have you considered hosting a diaper drive, a baby shower or other event to collect baby wipes, baby and maternity clothing, blankets and other items?

Supporting a Pregnancy Resource Center is one of the featured life programs from supreme. Resources are available at www.KofC.org/Support. The [Guide Sheet \(#10632\)](#) has several ideas on potential programs and fundraising options.

## SUPREME CHAPLAIN'S MONTHLY CHALLENGE — JUNE 2022

### SCRIPTURE:

"If you love me, you will keep my commandments." (Gospel for June 5, Jn 14:15)

Scripture makes it clear that actions speak louder than words. If we truly love Christ, we will act accordingly, living according to his commandments and the moral teachings of his Church. And we will do so remembering his commandment that we "love one another as I love you" (Jn 15:12). My brothers, let us recall that Jesus shows a particular love and care for the poor, the sick and the less fortunate in society, and resolve to do likewise with our actions as a sign of our love for him.

### CHALLENGE:

This month, I challenge you to show your love for Christ by serving the poor and needy in a concrete, tangible way. Second, I challenge you to keep the commandment to love one another by participating in the [Faith in Action Global Wheelchair Mission](#) program, [Habitat for Humanity](#) program or [Helping Hands](#) program.

### REFLECTION QUESTIONS:

Do you truly love God? Does this love show in how you live and how you treat others? With family and other loved ones, do your "actions speak louder than words" in revealing your love for them?

## STATE SECRETARY'S CORNER

My Brother Knights, I would first like to start this letter off by thanking all of you for your vote of confidence to me as your next State Deputy for our state. I look forward to working with many of you to retain our state at a high level of excellence. I would also like to take this opportunity to thank brother Nick Nielson for his past two years of service and dedication to the Utah Knights as State Deputy.

Wasn't that a great convention we had three weeks ago? The first time in three years that we had the opportunity to meet in person at convention and socialize together. Sincere congratulations go out to Councils 5214 and 12181 and Grand Knights Vargo and Rasmussen for their outstanding Faith in Action projects that received state recognition awards. Also, big shout out to Chuck Dover, Jr. (Knight of the Year), Palmer Masumbe-Netonga Family (Family of the Year) and Father Sam Dinsdale (Chaplain of the Year).

Brothers, let's try to finish this year strong, the last due out that we have is the **SP-7 Columbian Award Application Form**. Currently, we have 4 of 37 councils who have already submitted this form – Thank you. **Please try to get these in by the 15th of the month** to allow adequate processing time for Supreme. On a positive side, we have 11 of 34 councils who have either exceeded or attained their membership quota. As of May 29th, 3 councils only need one more member and 2 councils only need 2 more new members to qualify for Star. Please note, that some of these membership gains can be quickly realized with either conducting a CUF ceremonial or having online members complete the degree online. English invitation ([PDF](#)), Spanish invitation ([PDF](#))

Significant upcoming events in the next few months include the following: Fourth Degree exemplification (June 11 at Saint Ambrose), Silver Rose Rotation June 12 – July 9, Insurance seminar (June 23 at 7PM), and Catholic Day at Lagoon on July 17, and the **State Organizational (kick-off) Meeting on July 16th** with the district deputies also meeting on the 15th. Please let your district deputy and state team know of other activities in your area so we can get out, participate and visit. (*See also the calendar on page 3.*)

In the administration area, for Semiannual Audits (July—Dec 2021) we improved to 29/34 councils (85.3%). The five councils who still owe these reports need to get them done soon to maintain their bond with Supreme. In Safe Environment, we made some improvement. As of May end, we improved by 3 councils to 23 of our 34 councils who are safe environment qualified – 67.6%. Note, there are three councils in jeopardy or losing their star council because this requirement has not been satisfied.

As of the end of May 2022, the State has processed receipts of \$69,865 with disbursements of \$55,376. \$13,171 is pending disbursement to the charities we support which will occur in mid-June when we close the books for the fraternal year. The state reserve currently sits at \$39,970. Year to date contributions exceed \$42K broken down as follows: Culture of Life \$2,699; Christopher Fund \$1010; Scholarship \$4,510; Vocations \$2,824; Military Vocations \$400; Carmelites \$2,409; Coats for Kids \$17,490; Memorial Fund \$400; MS Walk \$215; Navajo Strong \$50; KS Tornado Fund \$50; Diocesan Science Fair \$2,670; Special Olympics \$6,067; Vets Assistance \$694 and Ultrasound Program \$338.00. A sincere Thank You to all of you for your kind generosity.

## POST ROE V. WADE RALLY UPDATE

Please get this information out to your members and please make every effort to attend when the time comes. We are still awaiting the final decision from the Supreme Court on the Dobbs case. Indications are still that Roe v. Wade will be overturned. I just wanted to give you an update on the post-Roe rally as plans have changed for this event. Please see the email below from Pro-Life Utah for details. To receive immediate updates please text "Life" to (385) 200-9929.

\*\*\*\*\*

Be a part of history! Join us at the Utah State Capitol to celebrate the end of Roe v. Wade and a new era of life for Utah.

In conjunction with the Students for Life "Life is Louder" event, we will be joining pro-lifers across the nation to gather together at our State Capitol after the Dobbs v. Jackson decision is handed down by the Supreme Court. This is a once-in-a-lifetime event you will not want to miss!

Although we don't know when the Supreme Court will announce its decision, it will be a day of celebration 50 years in the making nonetheless! Prepare to make your plans to drop everything and COME! Information about this rally can be found at [www.ProLifeUtah.org](http://www.ProLifeUtah.org) or on all Pro-Life Utah social media pages.

The ruling of Roe v. Wade has led to the slaughter of over 60 million innocent children since 1973. We will be memorializing these babies. They will not be forgotten.

When Roe v. Wade is overturned, Utah's trigger law, which would ban nearly all elective abortions, will go into effect. But pro-abortion activists are working hard behind the scenes to water down or undo this trigger law. This will be the time to thank our Utah legislature for its courage and foresight to pass such an important law! We MUST defend this law, and your presence will show our legislators that Utahns support the protection of human life! **Bring your pro-life flags and signs to celebrate the end of abortion in the state of Utah.**
