- **ENHANCING MEMBER EXPERIENCE BY CREATING A CULTURE OF ENGAGEMENT** - This training is one of the most important we have to offer. During this training presentation, we will:
 - Highlight the important relationship between member experience and member engagement
 - Complete a Council Engagement Assessment and know your council's current engagement score
 - Provide your council specific tools to improve your council engagement score
 - Answer as many of your questions as possible.**Sat., Jul 23, 2022 12:00 PM - 1:00 PM MDT**
