## THE MONTH OF NOVEMBER

With the exception of the last three days, the entire month of November falls during the liturgical season known as Tempus per Annum or Ordinary Time (formerly Time After Pentecost), which is represented by the liturgical color green. Green is a symbol of hope, as it is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. The liturgical color green is worn during the praying of Offices and celebration of Masses of Ordinary Time. The last portion of the liturgical year represents the time of our pilgrimage to heaven during which we hope for reward.

My Brother Knights, is it fall or winter outside? We had a couple brisk mornings lately where temps dipped into the 20s. All Hallows Eve just past and All Saints/All Souls are here. Please pray for Blessed McGivney's Sainthood on All Saints and remember those who have gone before us on All Souls. So far it has been a tough year for us where we lost 19 brother knights that included 3 priests and 2 deacons.

We have now completed four months of the fraternal year and we have brought in 36 new knights to the state. This places us at 21% of our goal and at number 55 in the order. Frank, the State Council and I solicit your help to ask every eligible Catholic man to join the Knights to obtain a rewarding experience. 50% of our councils have had a new member join their ranks in their councils, however we still have 47 (down from 55 last month) new on line members awaiting membership to join a council. So please talk with these men and have them join your council and get them active. New members brings in new ideas and increases your capability to do more work for your Parish and Community.

Coats for Kids distribution is upon us. The State Council had a coat sorting party this past Saturday as the last preparatory step for distro in the Salt Lake Valley. See the article with this newsletter for dates times and locations. The Worthy Master Bob Masse has done a superb job to order and ship coats to councils so now all we need is your help for the final step to place the coat on a deserving child's back.

Good news for our councils. On October 13 th, Supreme appointed Bill Mundy (Council 12181, Draper) as our new Benefits Advisor. Bill is working closely with Nate Raso to get up to speed to help our Utah Knights become available of the good products the knights have to offer. Bill will be visiting assembly and council meetings to set up local benefits seminars to help you with your Founder's Awards. Incidentally, the next benefits seminar "Who Wants To Be A Millionaire" will be on Nov29 at 7PM.

Thank you to the 20 councils who submitted their per capita for the year and 8 councils who submitted their coats for kids pledges. This really helps the state with our cash flow considering our small budget. Would like to request partial or full payments by the end of November or as soon as you can to Ryan.

In administration areas as of Oct 30th, we increased report submissions to 94.1%, however we need help in semiannual audits (82.3%), and safe environment compliance (32.3%). Safe Environment compliance needs the most work where an initial fix would be to assign 26 Directors Positions. If any of you need any help in these areas, please reach out to your DDs, or any of the state officers.

Upcoming events this month include: Veteran's Day on Nov 11 th (so all you Vets get out there and get your freebees); the Marine Corps Ball on Nov 12 th at St. Vincent's; Assembly 1429 Clergy Appreciation Dinner on Nov 18 th at Jeremiah in Ogden. On a long range note, the next 4 th degree will be held at St Martin De Pours (C10304) in Taylorsville on Feb 16 th at 2PM.

Thanksgiving will be here shortly; Therefore I would like to take this opportunity to wish all of you, you family and friends a Blessed Thanksgiving. Again Thanks for your support to the Utah Knights.

Vivat Jesus

State Deputy

We are  
Thankful for  
YOU!

## PREGNANCY RESOURCE CENTER OF SALT LAKE CITY

Did you know the Pregnancy Resource Center (PRC) has two websites? [www.PregnancyResource.net](http://www.PregnancyResource.net) is the one for those who need to use their resources. [PRCpartnersUT.org](http://PRCpartnersUT.org) is for those working to support the PRC (fundraising, donations, etc.). Their Baby Bottle Campaign can be done online, and you a website can be setup for your parish to donate ([example](#)). They also have a location in American Fork.

Now is the time to prepare for the expected increase in need. Utah, along with many other states, will ban elective abortions once Roe is overturned. Have you considered hosting a diaper drive, a baby shower or other event to collect baby wipes, baby and maternity clothing, blankets and other items?

Supporting a Pregnancy Resource Center is one of the featured life programs from supreme. Resources are available at [www.KofC.org/Support](http://www.KofC.org/Support). The [Guide Sheet \(#10632\)](#) has several ideas on potential programs and fundraising options.

## FAITH IN ACTION PROGRAMS

Brothers,

Remember, November is the month of Holy Souls in Purgatory. Have your Council's Chaplain hold a memorial Mass for deceased Knights of your Council, and host a council reception. Remember, the Feast of Christ the King is celebrated on November 20 and Advent begins on November 27. Here are this month's highlighted programs.

### KEEP CHRIST IN CHRISTMAS - Faith in Action - Family Programs

**A Higher Purpose** - Promote the true spirit of Christmas in homes, schools, parishes and communities. Councils will evangelize society through their faithful acts, celebrations and a variety of activities.

**Overview** - The Knights of Columbus offers multiple activities that promote Christmas and the season of Advent in their proper context: Journey to the Inn, Spread the Light of Christ, Crèche or Advent Wreath Blessing, and the Christmas Poster Contest. These programs are centered on the example of the Holy Family and the Nativity of Our Lord and Savior, Jesus Christ.

The new Keep Christ in Christmas (KCIC) Program brings all KCIC activities together under one umbrella. It encourages councils to prompt their neighbors to shift from a preoccupation with materialism to the light of Christ and the spirit of giving. KCIC activities include whatever efforts best suit the parish and community of a particular council and do not need to originate from the Supreme Council. For Keep Christ in Christmas program resources, visit [www.kofc.org/christmas](http://www.kofc.org/christmas).

### FOOD FOR FAMILIES (FEATURED) - Faith in Action - Family Programs

The goal of Food for Families is to ensure that as few as possible go to bed hungry each night.

**A Higher Purpose** - Help end hunger in communities across North America. Many people in our communities are struggling through hardship and unable to provide food to their families. Food for Families ensures that as few as possible go to bed hungry each night. A featured program, Food for Families counts for two credits toward the Columbian Award.

**Overview** - Knights of Columbus are committed to helping end hunger through the Food for Families Program which has donated millions of dollars and millions of pounds of food toward this end. Council and parish families will raise funds to support their local food pantries, food banks and soup kitchens. For every \$500 or 1,000 pounds of food donated, the Supreme Council will refund \$100 back to the council – up to a maximum of \$500 per council per fraternal year. Though in-kind donation of food is valuable, leaders of hunger-relief organizations often comment that financial contributions can be stretched even further and allow nonprofits to procure the exact items needed by the organization and its clients. For Food for Families resources, visit [www.kofc.org/food](http://www.kofc.org/food).

### CONSECRATION TO HOLY FAMILY - Faith in Action - Family Programs

Help strengthen families and revitalize our parishes.

**A Higher Purpose** - Revitalize our parishes by urging our parish families to devote themselves to the ideal model of familial love set by Jesus, Mary and Joseph. Invite each family in your parish to consecrate themselves to the Holy Family.

**Overview** - To help families live out the joy of Christ, Supreme Chaplain Archbishop William Lori has composed a prayer through which families will come together to consecrate themselves under the protection of the Holy Family. In this prayer, we ask for the aid or intercession of the perfect son Jesus Christ, Mary the perfect mother, and Joseph who is a model for every father. Councils will guide their parishes and community to understand and offer this prayer. Preparing for the Consecration to the Holy Family is not a single event. It is choosing a way of life for your family. Through this consecration, each participant is consciously choosing to be a beacon of God's love through His Church. For Consecration to the Holy Family resources, visit [www.kofc.org/consecration](http://www.kofc.org/consecration).

## FOURTH DEGREE JOHN H REDDIN PROVINCE UTAH DISTRICT

Brother Knights:

Brother Knights:

In the Utah District, the 4th Degree has started off strong. We've seen a growth of 30 new Sir Knights. We have held two exemplifications. One at St Thomas More, hosted by Assembly 2577 and another at St Ambrose, hosted by Assembly 2636. There are 4 exemplifications planned next year. One in the Salt Lake Valley, one in the St George or Cedar City area, one in Tooele and one in the Ogden area.

I tried to get to as many Assembly meetings as I possibly could, but if I didn't make it to yours in October, I will try and get to those I missed in November.

Throughout this year, let's communicate with our parish Priests and schedule a time to be at a mass in uniform with all the Knights and our families. This will be a great time to recruit new men into the Knights and join the 4th degree.

I have added an additional Marshall to the Salt Lake Valley area and would like to introduce Tom Odle. Tom is currently serving as Color Corp Commander for 2577 and is District Deputy #6. He has also been a Faithful Navigator and a Grand Knight. Tom will be a tremendous asset to our 4th Degree team.

I want to thank the Assemblies for stepping up and promoting the Uniform. We now have a plan in place to assist with helping any Sir Knight with getting a uniform. If any Sir Knight would like to get the uniform, please contact me.

## STATE VETERANS AFFAIR CHAIRMAN MESSAGE

My Fellow Knights,

There are several ways your Council or Assembly can support our Veterans at the Salt Lake City Veterans Hospital. In addition to the excellent health care they receive at the hospital, they are always in need of support from you the Knights in terms of monetary and in-kind donations. This includes the families of hospitalized Vets staying at the Fisher House for various periods of time.

If you go to [www.va.gov/salt-lake-city-health-care](http://www.va.gov/salt-lake-city-health-care), you will find several ways to provide support. This can either be by donations and/or volunteering. The same is true for the Fisher House by checking out [www.fisherhousesaltlakecity.com](http://www.fisherhousesaltlakecity.com).

Contact information is provided on these websites. Or you can contact me with your questions – I'm always ready to help!

## STATE SECRETARY'S CORNER

Hello Brother Knights,

Please keep our departed Brothers and Priests in your prayers. It saddens me that we have recently lost more. I also ask that you send me any of this information. I will continue to update our perpetual memorial book.

The State Directory draft was sent out. I am looking to send it to print very soon. Please review it and inform me of any corrections before printing. Thank you.

We appreciate your council's coats for kids pledges. Please send pledge payments to my mailing address. Many of you have helped support the Science Fair. It is not too early to start sending Science Fair pledges along with the activities and awards that you would like to sponsor.

Many councils have turned in their per capita payments. I appreciate that. I will be sending a reminder to those who have not yet in November.

Thank you Utah Brothers!

## KEEP CHRIST IN CHRISTMAS POSTER CONTEST

Brothers,

This is the final month for our parish youth to be working on the Keep Christ in Christmas Poster Contest one of our Faith in Action events. There is still time to encourage participation, especially from children of your Council Brothers. It is also time for you to set up judging and awards. Details can be found online at [utahknights.org](http://utahknights.org).

How many members in your Council have children, nieces, nephews, grandchildren, or neighbors who have Catholic children? Are those children ages 5 – 14? Are any of the children in the 8th – 12th grade? Those children ages 5 - 14 are eligible to take part in the Keep Christ in Christmas Poster Contest. What Child that age does not like to draw or paint pictures?

This is a Faith in Action – Family Program. Entries are due to the Council by December 15. You can also seek entries from your parish CCD or parochial school. This month children should be starting to draw/paint their posters, but there is still time to encourage participation.

The Keep Christ in Christmas Poster Contest is open to ages 5 through 7, ages 8 through 10 and 11 through 14. Due dates for Utah Keep Christ in Christmas Poster Contest are:

- Posters Completed and submitted to Council by 12/15/2022
- Council Winners (1st, 2nd, and 3rd in each age group) determined by 12/31/2022.
- 1st Place Winner to be submitted to District Deputies.
- District Winners determined by 1/15/2023.
- 1st Place Winners to State.

**JUDGING:** Judges (three or more) will be selected by the sponsoring Knights of Columbus Council. Council members, their spouses, teachers, clergy, civil officials and/or members of the community may serve as judges. Different Judges should be selected for each contest.

**AWARDS:** Councils can determine their own prizes of cash and/or certificates and/or something else. The State will award certificates and a check for \$25, \$20, or \$15 for 1st, 2nd, and 3rd place winning posters in each age group. Remember, this is a Faith in Action Family Program.

Good luck, Vivat Jesu, and God Bless America!

#### **CHALLENGE:**

This month, I challenge you to fast (defined as eating no more than one full meal and two smaller meals that don't equal a full meal) one day a week and offer up this sacrifice to grow in perseverance. Second, I challenge you to help with the Food for Families or Coats for Kids Faith in Action program.

## STATE LIFE DIRECTOR'S MESSAGE

### Wyoming travels, Life and Movies

Brother Knights,

I recently returned from a 2-1/2 week's vacation traveling through the central and western edge of Wyoming. Why Wyoming? History, curiosity, and taking a break from the craziness of the last few years!

Wyoming is a very interesting place if one does some homework beforehand. There is Devils Tower in the NE corner of the state, Yellowstone and Grand Teton National Parks in the NW corner, Fossil Butte National Monument in the SW corner, and Cheyenne (home of Frontier Days – billed as the “World’s largest outdoor rodeo and Western celebration”) in the SE corner. The western side has the Bighorn range, the Wind River Range, and the Tetons – all stunningly beautiful. In the middle, there is not much.

Wyoming is the least populated state in the lower 48, however, there is an immense amount of American history in the vast wide open spaces. The Mormon, California, and Oregon trails run through the state with many of the wagon ruts still visible. The Pony Express followed these routes before veering off to cut down through Utah. They were then followed and replaced by the transcontinental railroad. The Mountain Men roamed all over in the early to mid-1800s. There is a rich but also sad Native American history. The towns are small, simple, and quiet. The people, for the most part, are the same. Except for Teton County, which is a complete anomaly as it has the highest per capita income level in the country, by a mile, and is home to Jackson, Jackson Hole, and Grand Teton NP, Wyoming is not a fancy or wealthy place. Wyoming as a state and people is shaped as much or more by those who passed through in the 1800s and kept on going as it is by those who stayed. With the Mormons coming to Utah and the bulk of the rest to Oregon or California.

So, other than a brief history lesson, what does all of this have to do with Pro-Life or our Catholic faith? Well, as noted, there is not a lot in Wyoming so it is easy to spot certain things as one enters a town. One thing we saw coming into almost every town we stayed in or passed through were large “Chose Life” or “Defend Life” signs – several with KofC logos on them. I can’t remember another state I have been in, where I have seen as many. Much like a lot of the works the Knights do, quietly they made an impact and they were very nice to see. In addition, while visiting the small town of Lander, which is located at the base of the Wind River Range we stopped in to visit Wyoming Catholic College. Did you know Wyoming had a Catholic college? We had a very interesting conversation with the Director of Advancement and learned more about the school. Based on a Great Books curriculum and an outdoor leadership program, if you have a student who is looking for a small (190+ student body) Catholic school you may want to check this place out. And, as we were in the middle of the Fall 40 Days for Life session, the school had signs on their front door and students holding silent prayer vigils on the street all day, every day defending life. They publicly live their Catholic faith.

All of this was encouraging and uplifting to see. I would encourage all of our Councils to do whatever they can to support and defend life. Our Catholic faith calls us to support and defend life from conception to natural death. Sadly, both ends of the spectrum are under immense attack. We have programs such as the new [ASAP](#) program, [Novena's for Life](#), [40 Days for Life](#), and others that members can do.

January is another Pro-Life month. There will NOT be a Utah March for Life this year. However, Councils should start planning now for other activities to do during the month. Talk with your priests and see what ideas they might have and encourage them to give homilies with a strong pro-life message. We have a few Councils who are planning and doing activities for the ASAP program. If your Council is planning an event or you need help with this program, please let me know.

Having conversations or defending a pro-life position can be intimidating or stressful. FOCUS Ministries has put together a series of short videos (<https://www.youtube.com/FOCUSCatholic>) featuring several well-known Catholic speakers on a number of life topics. You may find these helpful. I would encourage you to share them with your Council.

One movie for you. Season three of the series The Chosen is set for release in November. A special screening of episodes 1 & 2 will be shown in theaters on November 18 th . While there have been some controversies over this series in Catholic circles, I personally really enjoyed this series and am looking forward to the upcoming episodes. [Click here](#) for tickets.

In conclusion, if you are planning any Life activities or need help with anything, please notify me as well as our State Program Director Bill McCauley of any upcoming events your Councils may have planned for the months ahead.

Vivat Jesus!
