- A Council may nominate any Brother Knight and his family, in good standing with the Council and in their own Parish, for Family of the Year.

## Abortion Trigger Law Timeline

- **2020** – SB174 was passed and signed into law by Gov. Herbert
- **2022** – Dobbs v. Women’s Health Organization case to be heard by US Supreme Court.
- **June 24, 2022** – Court sided with Dobbs stating no “legal” right to abortion thus bringing an end to Roe V. Wade. Turns the legislation over to the states.
- **June 24, 2022** – Utah’s trigger ban on elective abortion goes into place.
- **June 27, 2022** – Planned Parenthood & ACLU sue the state.
- Judge Stone sides with PP and a permanent injunction was granted to halt the law during the lawsuit.
- The injunction was appealed. The Utah Supreme Court agrees to look at the legality of the injunction. - This hearing should be in early 2023
- Lawsuit court date is set for **September 2023** hearing - 9 months away.
- To date over 1,500 babies lost to abortion since the injunction was granted.

# Life Director Message

*Any country that accepts abortion is not teaching its people to love but to use any violence to get what they want. That is why the greatest destroyer of love and peace is abortion.*

St. Mother Teresa – National Prayer Breakfast, 1994

# Life Director Message

One of the biggest issues we face –  
The growing promotion and use of the  
abortion pill.

News Alert – WSJ – Jan. 3, 2023 - [bit.ly/3vAJcF9](https://bit.ly/3vAJcF9)

Abortion Pills to Be Available More Widely Under New FDA Rules

The FDA expanded access to a drug that induces abortion, allowing brick-and-mortar pharmacies to dispense the pills for the first time.

Under changes to the rules outlined by makers of abortion pills, any pharmacy can complete and sign a short form to become certified to provide the so-called abortion pill, not just the handful of mail-order pharmacies that were permitted to ship prescriptions during the pandemic.

We have the most hostile administration in history when it comes to issues of life and the well-being of our children.

UTAH KNIGHTS OF COLUMBUS

# Life Director Message

St. Mother Teresa provides the answer.

*How do we persuade a woman not to have an abortion?*

*As always, we must persuade her with love, and we remind ourselves that love means to be willing to give until it hurts.*

*Jesus gave even His life to love us.*

St. Mother Teresa – National Prayer Breakfast, 1994

PROTECT WHAT MATTERS MOST. YOUR LIFE. YOUR FAMILY. YOUR FUTURE.

## Raso Agency

# Prayer for Protection in Time of Pandemic

O Mary, you always brighten our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who, at the Cross, took part in Jesus' pain while remaining steadfast in faith. O loving Mother, you know what we need, and we are confident you will provide for us, as at Cana in Galilee. Intercede for us with your Son Jesus, the Divine Physician, for those who have fallen ill, for those who are vulnerable, and for those who have died. Intercede also for those charged with protecting the health and safety of others and for those who are tending to the sick and seeking a cure. Help us, O Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who took upon himself our sufferings and carried our sorrows, so as to lead us, through the Cross, to the glory of the Resurrection. Amen.

**Under thy protection we seek refuge, O Holy Mother of God. In our needs, despise not our petitions, but deliver us always from all dangers, O glorious and blessed Virgin. Amen.**

# WHY JOIN BROCHURES

In 1882, our founder, Blessed Michael McGivney had a vision of a group of men supporting each other, and providing for their families financially. For over 135 years the Knights of Columbus has turned this vision into reality- men together, in true Christian charity, using their time, talent and treasure to support the work of the parish and those in need in the greater community. This is legacy we invite you to join today.
