

Knights of Columbus

Utah State District Deputy # 3 Larry E. Page
8276 Stonewood Dr, Sandy Utah 84093 (801-949-7272)

February 27, 2023

Dear Brother Knights:

I am seeking your support to serve as the Utah State Treasurer for the next Fraternal Year 2023 -2024. Currently serving as District Deputy 3, and combined with an accounting background in the private sector make me an ideal candidate to serve in this role.

As your nonprofit treasurer, I will oversee the proper management for the finances within the organization. I will ensure proper cost accounting for all income, expenses and investments in the state's quick books program. I will prepare and manage the state's budget against actuals and prepare monthly financial reports to maintain fiscal responsibility and visibility on our accounts.

As a Saint Thomas More parishioner, I currently serve as the Finance Council Chairperson. A key responsibility during the Days of Yore Festival where I reviewed invoices and ensure timely payments. I have further served on the development team for Saint Thomas More's Creek Road Day Care program. Here, I prepared the annual Day Care budget for several years until it closed due to COVID. Lastly, I have served for many years on Catholic Community Services Board of Trustees and was the chairperson during my last year on the board.

On October 5, 1997, I joined the Knights of Columbus at Saint Thomas More. I have been very active at Council 11479 and in the state where I received recognition as the Utah Knight of the Year award during the 2013 -2014 year. Since 2017, I have served in key leadership roles as Deputy Grand Knight for 2 years, Grand Knight for 2 years and as District Deputy # 3 in my current capacity.

My credentials include: attending Saint Emma Military Academy, a Catholic High School, in Powhatan Virginia. Obtaining an undergraduate degree from Westminster College in Business Science with a major in accounting. Attended graduate school at the University of Utah.

I promise that if you elect me as your next treasurer that I will dedicate the necessary time and effort to accomplish the following objectives:

- overseeing the financial administration of the organization
- reviewing accounting procedures and preparing financial reports
- advising the State Deputy and State Officers on financial strategy and fundraising opportunities.

Upon election as the Utah Knights of Columbus State Treasurer, I will be extremely honored and will not take this sizable responsibility lightly. I will provide outstanding service to my brother Utah Knights from day one.

Vivat Jesu

Larry E. Page

District Deputy # 3
