SUBJECT: [KofC-UT-Leaders] Convention Lady's Luncheon

Knights:

A quick update for the Ladies Luncheon menu. The lunch menu will be a choice of one of the following, selected by the ladies when they are seated at the Cactus Red's restaurant:

- **Chef Salad:** sliced ham and turkey on a bed of fresh salad mix. Topped with avocado, tomatoes, shredded cheese, and hard-boiled eggs, with your choice of dressing.
- **Cajun Alfredo:** grilled meat of your choice tossed in Cajun alfredo sauce, served on a bed of fresh fettuccine noodles. Choice of chicken, carne asada, or shrimp.
- **Cactus burger:** Seasoned char-grilled Angus beef served on a toasted bun with mayonnaise, your choice of melted cheese, lettuce, tomato, onion straws, sliced onions, and pickle spear. Add bacon to round out your burger.
- **Chicken sandwich:** your choice of a deep-fried or grilled chicken breast topped with ham and your choice of melted cheese. Served on a toasted bun with lettuce and tomato.
- **Choice of dessert:** either cinnamon sugar churros served with ice cream or a classic banana split.

Be sure to let me know if there is anything I can do for you.
