

Blessed Carlo Acutis, spent his short life dedicated to Jesus and the Holy Eucharist. This young man of the 21st Century was a light in the darkness to all who have been influenced by the internet. He has shown how it can be used in a faithful way. We have 39 table-top poster panels highlighting some of the most powerful Eucharistic Miracles of the world. The exhibit's purpose is to increase the awareness of the Real Presence of our Lord in the Eucharist and promote Eucharistic adoration. Christ the King Parish has all 108 Miracles, 139 panels, on 2-sided poster panels (English on one side and Spanish on the other) hung on large metal frames that they display 3 each week at their Parish.

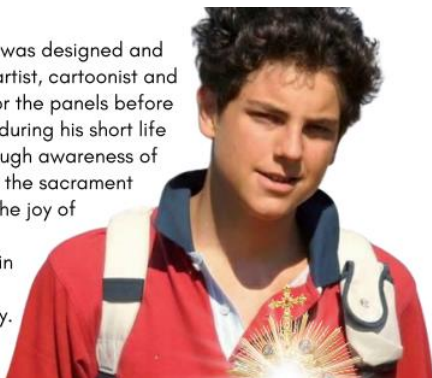

The DCCW and Christ the King would like this exhibit to be shared throughout our Diocese. We need the word of this to spread throughout the Diocese. We need a plan to coordinate it's showing. I am here to not only promote it, but to ask for help in getting it to all Parishes, Catholic Schools, and special events.

This Vatican-approved international exhibit was designed and created by Blessed Carlo Acutis. Carlo, an artist, cartoonist and avid computer enthusiast, created the art for the panels before his death from leukemia at age 15. His goal during his short life was to help bring others closer to Jesus through awareness of the mystery of the Eucharist. Carlo received the sacrament of the Eucharist daily and desired to share the joy of Christ's presence with the world through his God-given talents. The exhibit is presented in the United States by the Real Presence Eucharistic Education and Adoration Society.
