

SALT LAKE CITY VA FISHER HOUSE

The Fisher House is located at 690 Valdez Drive, Salt Lake City, Utah at the south side of the George Whalen VA Medical Center. This “home away from home,” provided by the Fisher House Foundation, reaches out to our military and veterans in need. This 16,800 sq. ft. home consists of 20 suites, each with a private bedroom and bath.

The home provides a place for families to stay, free of charge, while their loved one is receiving medical treatment. Because veterans often travel long distances in order to receive medical care at the Salt Lake VA, the Fisher House will continue to fulfill a critical need in a vast geographical area that is highly rural. Veterans and their families can enjoy a spectacular view of the Wasatch Mountains while they are in a comfortable environment that offers hope, community, and healing.

Why Fisher House?

Because “A Family’s Love is Good Medicine!”
