Worthy Utah Brothers All,

I hope this letter finds you well. My name is Sean Wink, a Fourth Degree Knight, and this letter is to seek your support for the office of the State Advocate for the upcoming fraternal year (2024-2025). In my 20 plus years as Knight in Utah, I have served in numerous leadership positions, to include, Deputy Grand Knight, Grand Knight, District Deputy, and State Warden. I have also served on several First, Second and Third-Degree teams.

Two of the things I am most proud to have been a part of are: 1) Being one of the first councils to achieve the prestigious Double Star award (bringing in over 50 new members in a fraternal year) and 2) fundraising for the Salt Lake City Fisher House. With my good friend and your State Insurance agent William Mundy, together we started the Foursomes for Fisher House Golf Tournament which is now on its 14th year. I emphasize that I am proud to have been a part of achievements, but they are not my personal achievements. It is only through teamwork that great things can be accomplished, and it is that mentality that I will bring to the table each and every day.

Lastly, on a personal note, I am a proud civilian employee with over 30 years of Federal Service. I have an Associate of Science in Electronics Engineering, a Bachelor of Science in Information Engineering and a Master's of Science in Information Security and Assurance. I believe my professional and educational background, as well as the numerous leadership positions that I have held within the Knights of Columbus will serve me well in the position of State Advocate.

Thank you,

Sean Wink
