

Knights of Columbus

Utah State Advocate William McCauley
1752 Briar Glen Lane, Sandy UT 84092 (801) 244-5763

February 14, 2024

Brothers,

My name is Bill McCauley, and I am a candidate for the office of State Secretary.

In my 26 years as a Knight in Utah, I have served in various roles within my Council. I was a Chancellor, Deputy Grand Knight, Grand Knight, and a Trustee for several years. In my Assembly, I was Faithful Navigator, Captain, Admiral, Purser, and Trustee. I was certified as a team member for the old First, Third, and Fourth-Degree exemplifications and have read each of the CUF Degree roles. I also served as: District Deputy for five years, State Ceremonials Chairman for four years, Catholic Citizenship Essay Chairman for four years and Poster Chairman for three years, State Membership Director for one year and currently State Program Director for the past two years. I was selected by Supreme as Utah's Master of the Fourth Degree and served four years as the District Master. I am the current State Advocate and Assistant State Treasurer. I believe the aforementioned leadership positions in the Knights, qualify me to serve our Knights as the next State Secretary.

On a personal note, I retired from AT&T as a District Manager – Training and from 3M as a Senior Customer Relations Specialist. My undergraduate degrees are in Math and Computer Science. I have an M.B.A. in Human Resource Management and an M.A. in American History. Married for 48 years to Maria, we have four children (two sons are Fourth Degree Knights) and five grandchildren. I am a multi-generation cradle Catholic. Over the years, I have served as Usher, Lector, and Eucharistic Minister in various parishes. My professional and educational background, as well as my Faith, and Family outlook, make me the ideal candidate for service as a State Secretary.

T.E.A.M. Together Everyone Achieves More. As Utah State Advocate, I assisted the Councils with their retention activities and meeting their Safe Environment requirements. I was a resource for the Council Advocates in the performance of their duties. As the State Program Director, I assisted State Directors and Chairmen in supporting councils in selecting, planning, running, and measuring the success of their Faith in Action Programs. I provided direction, coaching, and support to District Deputies and council program directors. Teamwork is the fuel that allows common people to attain uncommon results. That is the role I will continue as your State Secretary.

According to Supreme, the State Secretary must stand for faith, constancy, and wisdom. These are values I possess and displayed in my various assignments. I ask for your support and vote for Utah State Secretary.

Vivat Jesu, God Bless You, and God Bless America!

William T. McCauley, FMFD
