My Brother Knights,

This letter is to inform you of my intent to run for the Utah Knights of Columbus office of State Treasurer. I have served two years as the State Warden. I am currently filling in and performing an increasing amount of the Treasurers' duties. It is a large responsibility and I am up for the challenge. At Council 5214 I served as the Financial Secretary for 17 years. In Assembly 1144 I still serve as the Faithful Comptroller for the past 7 years.

As your State Warden I performed all my duties. I maintained custody of a large portion of the state assets. I made them available to other people and brought them to all the needed events including: The organizational meeting, three convocations, mdyear meetings, exemplifications, the convention, CUF degrees, the State Science Fair, the soccer challenge, and free-throw championship. I transported the needed items there and made sure they all came back and stayed in working condition. When needed, I purchased equipment and supplies for State Council use, always careful when using any monies. I enjoyed getting out to functions around the state and helping wherever I could.

I desire your vote and the opportunity to serve as your State Treasurer for this coming term. Thank you in advance for your vote. I look forward to serving your local council and our Utah State Knights of Columbus.

Vivat Jesus.
